7.1 REACH **DECLARATION**

Nedco B.V. confirms that all products imported into the EU comply with the REACH Regulation (EC) No 1907/2006.

Products Covered:

205.001.64 Business card holder NedNeon Green

Compliance Responsibilities:

- Registration: Substances in our products imported in quantities of one tonne or more per year are registered with ECHA.
- Evaluation: We cooperate with ECHA for substance evaluation.
- Authorisation: We ensure authorisation for substances requiring it or use suitable alternatives.
- Restrictions: We comply with restrictions on SVHCs and other restricted substances.
- Communication: Safety information is provided to the supply chain, including SDS and SVHC details.
- Substances of Very High Concern (SVHC): We monitor the ECHA candidate list and communicate SVHCs present above 0.1% w/w in our products.

We affirm our commitment to REACH compliance, ensuring our products meet regulatory standards.

7.2 PACKAGING DECLARATION

Nedco B.V. declares that all packaging materials used in our products comply with the requirements of the European Parliament and Council Directive 94/62/EC on Packaging and Packaging Waste, and its amendments.

Scope of Declaration:

This declaration covers all packaging materials used in the following products imported or manufactured by before mentioned company:

205.001.64 Business card holder NedNeon Green

Compliance Responsibilities:

- **Material Composition:** Our packaging materials are designed to ensure that the heavy metal content (lead, cadmium, mercury, and hexavalent chromium) does not exceed the limit of 100 ppm by weight.
- **Recyclability:** We ensure that our packaging is designed to facilitate recycling, recovery, and reuse, meeting the essential requirements outlined in Directive 94/62/EC.
- **Reduction of Packaging Waste:** Efforts are made to reduce the weight and volume of packaging to the minimum necessary to maintain product safety and hygiene.
- **Environmental Impact:** Our packaging materials are selected and manufactured to minimize their environmental impact during production, usage, and disposal.
- **Recycling and Recovery:** We comply with national schemes for the return, collection, and recovery of packaging waste, ensuring that our packaging materials contribute to the targets set for recycling and recovery.

By signing this declaration, we affirm our commitment to meeting the requirements of Directive 94/62/EC on Packaging and Packaging Waste. We are dedicated to ensuring that our packaging materials are environmentally friendly and compliant with all regulatory standards.

Signature:

A handwritten signature in blue ink, appearing to read 'J. NEDERLOF', is written over a horizontal line. The signature is stylized and cursive.
